Support 4 Fud

In June Fud was presented with his new electric wheelchair thanks to the fundraising efforts of [Chi Samui](#) and [Kalara Group](#). Under the care and guidance of Smile Coconut Healthcare Fud spent 3 days 3 nights in Nathon Hospital undergoing Bisphosphonate Therapy: essential treatment for weak bones. Next treatment due in October.

Food 4 Life

We began our Food4Life appeal back in April 2020 to buy essential supplies for families left without any means of earning a living due to the economic collapse caused by Covid-19. Today, thanks to generous support we are still supplying eggs, rice, noodles, cooking oil and tins of sardines to over 300 families every month. In June we had 8 delivery days with 325 families supplied with 1.5 tonnes of rice plus the usual oodles of noodles, eggs & sardines. With special thanks to the donations made by:-

Support 4 Autism

The Magical Autistic Learning Center cares for all special needs children but receives no government support. Our Rotary Club helps ensure the service is free of charge to the families of 15 children who desperately need and deserve this facility. From lunches to lessons and outdoor activities to improve health, fitness and lets not forget fun !

Support 4 Tuta

We found Tuta living in unhygienic conditions and suffering from a range of ailments. Together with our friends at [Sisters on Samui](#) we started a long term program of care including regular doctor visits, ensuring she takes regular medication and improving her home environment. She has now moved from Samui to live on the nearby island of Koh Phangan and Rotary members continue to make regular checkup visits.
