Everyone welcome

Support4Autism Program

October is the start of the cooler season in the Gulf of Thailand. A more pleasant time to be out of doors and out of the sun, especially after the last 6 months of El Niño heat. While Samui is a playground for tourists life is very different for local people living with mental or physical disabilities.

For these young people getting out and about is a serious challenge. Rotary Club members and supporters try to enrich their lives in any way we can. Here thanks to the support of [Windfield International School](#), they are enjoying the school playground and a rare but essential opportunity for exercise.

Activities like this need careful supervision and we are always happy to hear

from kind people with a few hours to spare who can be in Lamai on a Wednesday morning.

[Swim4Life 1st Cohort Graduation Day](#)

Last month saw the end of our 1st cohort. The children, all from local Wat Bunthari Karam School, demonstrated their new water safely skills in front of proud and excited parents. Every child received a medallion and certificate.

After a well earned rest our dedicated team of Samui people who care are back in the water - this time with a new cohort of 40 children from several of the surrounding schools.

Swim4Life Helpers Always Welcome

2nd Cohort started now

every Saturday 10-11am and 11-12pm

Blind Tiger Asian Kitchen & Cocktail Club

Bangrak Beach Road, Koh Samui

Blind Tiger Asian Kitchen and Cocktail Club is the brainchild of two creative professionals who met while working together at a boutique hotel here on Koh Samui. Whether you are looking for a truly eclectic hand crafted cocktail, or a wine list that features over 20 wines and champagnes by the glass, or a unique

Asian inspired menu with over a dozen tapas-style plates - you will be delighted at what you find at Blind Tiger.

Thank you Blind Tiger for your donation which will help some of the most vulnerable in our local community.

Share the love by supporting businesses that support Rotary projects on the island. One island. One family.

[Support our work via Weeboon Crowd Funding](#)

Weeboon is Thailand's first and foremost Crowdfunding Platform. It is a tried and tested system (by us among many others) and is every bit as reliable and effective as other similar platforms around the world. The big difference for us is that when you donate to us via Weeboon the money is already in Thailand and is not liable to other international transfer or currency conversion fees.

Please give what you can. Every single donation makes a difference, no matter the amount your contribution will be greatly appreciated. We guarantee that 100% will go directly to the most vulnerable communities. If you want your donation to go to a specific project please tell us in the comment section when making a donation or in a separate email.

All major credit cards accepted
